application

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because

I want to become an engineer for serving the mankind. I want to do something for the people who are still suffering from poverty. Dakshana helps the poor, those who can't pay the fees of any coaching foundations and makes the students able to crack the enterance examination for IITs.

From the very beginning I was interested very much to become an engineer and do something incredible and become an ideal person for all the people of the whole world. My parents can't help me to join any coaching for the preparation of IIT-JEE due to poverty and lack of money. But being a Dakshana scholar it seems to be very much possible that I can prepare myself for IIT-JEE very well.

Dakshana Provides all the good books and nice faculty to make the dreams of the students come true.

For me it is my fortune that I have become a Dakshana scholar and now I am feeling that I can do all the efforts for preparing to IIT-JEE. I am very thankful to Dakshana and its team.
