MY STORY

I am Mukesh. I am a student of J.N.V Jalandhar. In 2007, July 10 I gave an entrance test for come in J.N.V.. Then I don't more about Navodaya Vidyalaya Samiti. In 9th class I have a lot of depression because I haven't any friend. My Parents had forced me to study more & more and also my brother. My father is a labour. My father's name is Sh. Mahinder Pal and my mother's name is Smt. Kamlesh Rani. I also have a brother & sister. My brother's name is Prem, he is studying in PAU Ludhiana (B.Tech.). He always inspired me to study more and more. Till 9th class I don't what is study? In 10th I come to familier with study. ~~In to~~ While studying in 10th class I have been made a mind to study somewhere outside. After 10th Class I ~~have~~ thinks that Now is +1 class so become relax. But my brother said me. that now you should have to study more than ~~10th class~~. study than in 10th class. I have got 91.4% marks in 10th Class. I was ~~very~~ happy by getting these marks. I feel very proud on my self. After 10th Class I have study in J.N.V. Jal. for two months (April, may) but not serious study. I ~~also~~ always makes fun of my chemistry teacher. Then there is summer vacation in my school for two month. I am very happy that I am going to home. When I was at home In the June month I only fill three pages of a copy for satisfying that I am studying.

On 16th July when I was talking with my brother. I got a call from my office. My clerk madam said me that you are selected for giving a test for coaching of IIT-JEE sponsered by "Dakshana Foundation.". Then I heared first time that there is a ~~institute~~ foundation named "Dakshana" who gave free coaching classes for appearing in IIT-JEE. My madam said me that you have to go to chandigarh to gave this test. I only have two days for preparing to get select into "Dakshana's entrance test. but I didn't study more because ~~I~~ ~~do~~ then I don't know about 'Dakshana'. ~~In~~ On July 18th I go to chandigarh with my friends and a scout without carrying any study material. Till night we enjoyed there. Then On 19th July at 10:00 am. we go to classes for giving the test. The teachers gave us question paper of Dakshana's foundation. ~~I~~ I read paper and I become afraid. because the paper is very tough. Then I take the name of God and starts doing paper. After 3 hours they take paper from us & we come back. After 20 days I go to my school. I have ~~forgott~~ forget about Dakshana but one day when I was studying in my class room at 3:45pm my vice-principal called me and he said me that you have been selected for Dakshana foundation. I am surprised as well as I am very happy my friends congratulated me as well as my teacher because from Punjab I am one and only student

who have appeared. Then I tell to my parents ~~the~~ and my brother that I have been selected for Dakshana. My parents are very glad glad because my father is very poor man and therefore I think I am not able to get any ~~some~~ type of Coaching classes for IIT-JEE. So my all relatives are very happy bcoz ~~I am~~ they know that In other way I am helping ~~our~~ my parents. So after three or four days my teacher suddenly told me that pack your material immediately we have to go today or tommorow morning. I am surprised as well as distressed ~~to~~ because I want to meet my parent before coming here. Then my teacher ~~me~~ tell me that you can go home. I met my parents, they are all very happy. I ~~only~~ goes to home for only 12 hours. Then ~~to I~~ come to school. I would have to go for station at 5:00am so I get up early morning and met my all friends and best friend Nirmal. I am start weeping there. After come to station I met my parents last time my mother had started weeping but I am not because I know that I ~~a~~ start weeping my mother will not stop at all. At On 24th ~~July~~ August I come in J.N.V. Bagalur. I am happy as well as surprised to meet the Karnataka people because I don't ~~know~~ Kannada. I met with the Principal madam Mrs. R. Anuradha. She told me that there is no single ~~to~~ variation in two years. I become very surprised & sad. ~~I~~ ~~I~~ I have many problems here but now most of the problems are solved. I have make a ~~mind~~ mind that "There is no gain, without pain". ~~When~~ So when I met with the last years's 'Dakshana Scholars'. I have seen that there is something different in them

from ordinary student. They study very well and they said me that you haven't much time for study but I thinks that there is enough time. I don't like rice but here I have to eat rice but I have no problem. Now I have started preparation for IIT-JEE. I ~~ha~~ feel very lucky that I have come here. Now I have seen that what ~~preparation~~ preparation is required for clearing this test. There is lot of confidence & luck is required for clearing this test. ~~I~~

I want to get a good rank in IIT-JEE not with the help of Catgory but with my hard-working If I get a good rank in IIT-JEE I would like to Join IIT-Kanpur for Astronomy.

I would like to ~~most~~ thanks Mr. Monish & Mrs. Hasina & also CEO Mr. Col. Ram K Sharma who gave me a golden chance to get into IIT. I put my 100% effort to get into IIT because ~~DSK~~ I know Dakshana had ~~much~~ gave me a golden opportunity to get into IIT. Now I have only aim to get ~~and~~ into IIT. I also want to thanks TIME Institute who provide us best material and faculty to get into IIT.

At last I thinks that I must go to IIT. I know I have to do more hard work and there is also a 1% chance of luck. So I also pray to god please help me to get into IIT. So I thanks to all my friends, seniors, my teacher, Dakshana founders.

Thanks
