The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grade 10 Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NTS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I actually want to complete my dreams & to complete my dreams it is must to be an IITian and The Dakshana Foundation is giving me a chance, a platform from which I can begin my journey. My dreams are very big, I actually want my India to fly on whole sky, I want to serve my nation, I want to see it as not a developing but a 'developed country' and for that we all have to contribute our serves together. I don't know about others but I know my goals and I know ~~at least~~ that I can contribute ~~just~~ that much which can lead at least my 'Chhattisgarh' towards a great top position in my nation. If I can serve at least this much then I'm sure that my purpose to be born and to be an Indian will be completed. From starlingly, when I ~~knew~~ heard about Dakshana, I wanted to be a Dakshana Scholar even it was my first step towards my goal. I like Dakshana Foundation very much, it gives me an inspiration to

do something for nation. Dakshana is giving a golden chance to those talented poor ~~child~~ students who deserves to be an IITian but because of lack of money he/she can't take coaching classes. I want to do something like this foundation. I believe some day I'll be at top of the world just because of my Navodaya and of course Dakshana too. I'm thankful to Dakshana for giving me an opportunity to be a successful Indian & Navodayan, representing India out of the world. These 2 years are going to build my successful life and I am going to remember all these days till my last breath. Someday, I hope people will also know me as they know the Dakshana Foundation. I also want to complete all expectations of my parents from me, they ~~had~~ always completed my wishes now its my turn to complete their dreams & wishes. I want them to proud on me and for that I am going to work as much hard as I have never because I want my parents happy.
