Sonia Gandhi

President

June 18, 2009

Dear Mr Pabrai,

Thank you for your letter of 6th June 2009 along with its enclosure on the Dakshana Foundation. I convey my sincere appreciation for the remarkable work your wife, Harina and you are doing through your Foundation in giving a helping hand to talented students of Jawahar Navodaya Vidyalayas in achieving their dreams and goals of getting into the IITs and other world class universities.

I have noted your kind request to attend the award and recognition ceremony for the first batch of scholars, scheduled to be held on 5th July at IIT Delhi. However, I deeply regret my inability to accede to it due to prior engagements during that period. I take this opportunity to send my good wishes to all the brilliant graduates and their families and wish them and your Foundation every success for the future.

With good wishes,

Yours sincerely,

Mr Mohnish Pabrai
