The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because the first thing I believe is that I would surely able to attend medical college if I am able to learn in the Dakshana coaching classes. I hope Dakshana can help me to realise my dream to be a doctor. I believe that Dakshana will help me to utilise my full potential and to succed. Dakshana is a support of success. I think it is the best place for poor students like me to get such high quality coaching classes. I am sure it will help me to become a doctor and to serve all the people of my country, community, and my family. I can say with full confident that I will qualify NEET 2018 with good marks. So, in my point of view, it is the best coaching institute of India, to qualify JEE or NEET with good mark and rank. I will be cracking the NEET 2018, very soon.
