Ⓒ MY STORY & DAKSHANA Ⓒ

My Father was always worried about my study on the other hand I was worried about his work. Since I have no Mother and we are 2 brothers and 4 sisters my father was unable to provide education to every one so last year I promised my father that I will search for any job after high school pass out then I will help him for house work and provide education to my younger brother and 3 younger sisters. My elder sister is married. Then I travelled Cuttack to find some work. When I find work really I felt so happy. For the duration of 2 months of Summer vacation my duty is with daily wage workers. Though I do not share my earned money with my family but I provide my younger study materials to them. Fortunately a village Primary school opened in our village Saikhedahi (Orissa) last year. Then it gives me opportunity to learn 2 years more in J.N.V. because my younger can go to school in village and can help my father. In the opportunity GOD MONISH landed in front of me as DAKSHANA FOUNDATION. The my teacher P.K. Maharana (P.G.T. MATHS) told about it and prepared me to compete for it. The morning July 19 was lucky day for me. I appeared in the Exam and every one was doing sincerely but I have not prepared for the Exam. Question paper was really hard but remembrance of my promise to my mother when she is alive gave me strong power, to solve every question mindfully but I can solve only 35 question of each paper. There was negative mark so I do not touch remaining things.

The ~~20th~~ 20th was really bad for me because every 20th date gives me sorrow unhappy. When I saw results then there was cut up by 50% students but fortunately I got selected. I was quite unhappy because 2nd time my friend Manish was cancelled because reasonably he is more intelligent than me. The TIME which I have spent with my teacher in school, friend in hostel, parents in field, workers in city gave me knowledge about different peoples. His knowledge was lamp without flame but Manish, lighted it to give away the darkness of my family background.

This is my first step of my journey what can I say about my travels since I have put only one step. Many says that world is only those who have money but I say world for every one only if people like Manish and Col Ram Sharma can take with every corner of the world. God is nothing but it is a man who do share every steps of life for the sake of others, who do see the burning desires of every heart, who can understand the condition of one persons. When a person worked so hard throughout his life and earned so much then times come for him to enjoy in old age but if he do further not for himself nor for his family but for others (who are suffering a lot not in simple life but to achieve the apex aim which is really beyond their capacity) then the man is called as GOD as Col Ram Sharma as his whole life

in providing safety to nation and rest life is to help the youngsters who are scattered carelessly in the corner of world as we were.

DAKSHANA can be defined as uniquely whole hearted offer. It is quite different because dakshana is given to Guru but it is given to disciple or student. So everyone can realised what can be the world dakshana. No one can defined dakshana unless and until he think about such dedication. It is nothing but completely dedication.

Though I have not seen one face of Manish but I can visualise his face as bright as sun, as bright as col ram. I am quite happy because my name is suna ram.

MY PLAN (I will not be an IITian but must be an IITian, must be...)
I will also help other student who are suffering like I was. Then only India can show his/its power in the world. India can light its lamp in the black hole. India can be india only if everyone walk on their foot and this can be possible when everyone get same opportunity and this can be possible only and only if Col Ram Sharma & Manish can take birth in every corner of India. Then sun and moon appear brightly with sun and moon either way. Now only one way with me is IIT 2011 not only to attain but to You know.
