The Dakshana Foundation
Application to Become a Dakshana Scholar

Full Name ANURADHA

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.

2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.

3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.

4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.

5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

ANURADHA

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because since childhood it has been my dream to join a reputed IIT college. It's my heartiest desire to become a good engineer. I am very much impressed by the richest man of this world - "BILL GATES" and have a keen desire to work for the "MICROSOFT COMPANY".

I am very much committed to my aim and I am also sure of it that being a Navodayan, "DAKSHANA FOUNDATION" is the best way to my goal. I'd like to become a Dakshana Scholar because it is a glittering opportunity for me to achieve my goal. Being a Navodayan I could only prepare for my aim after completing +2 but being a Navodayan + Dakshana scholar I can prepare for my goal along with my +1 & +2 classes. So its a opportunity for me which I would like to never miss.

application

I also want to be a Dakshana Scholar because it will not only provide me coaching but also it will provide me financial help which is really very important for a student like me.

I have always dreamt of IIT-KGP, IIT-DELHI & IIT-Chennai and I am sure of it that if I am committed to Dakshana I would surely fulfill my dream because the faculties of Dakshana not only teach us but also they make our thoughts optimistic for the forthcoming competition.

I am very much thankful to the 'Dakshana Team' to start such a programme which would help the financially weak students to achieve their goals.

I would be very lucky to join "Dakshana FOUNDATION".
