The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

My Father name is T. Ramakrishna. He is working as HeadMaster in Z.P.H.S. Bhupathipalli. He is very hardworking, dignified and sincere. He always loves to read books even books of first and second classes. He dislikes lazyness and time wasting. He manages time very well. My Mother name is T. Rajeswari. She is a housewife she is very workholic. She likes working and is against unwanted quarrels. My sister name is T. Vyeknavi. She is studying 12th class. She aspires to become a doctor. Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I need Dakshana Scholarship because I want to study in IIT-M so that it helps me a lot. It is also a pride for my parents to say that our son has got Dakshana. For these all I want to get the Dakshana Scholarship. If I am not selected to be a Dakshana scholar I will continue my study in my own JNU that is JNU Prakasham-11 and I will study there well and I will achieve my aim.

What is your ambition in life?

My ambition in life is to study technological, physical and chemical science and become an engineer and thereafter researching in astronomy, radioactivity and should discover a new thing. Even on reading these after crossing 45 years it is I will enter politics and make that part of life for serving people.

How would you like to contribute to the society and the world when you become successful?

When I become an engineer I will serve the society with my talent and I make my parents feel pride and serve India.

Describe an incident in your life that has motivated/inspired you to do better.

When I listened to the story of my father it changed and motivated me a lot. He was a failure in 12th class and then the successful person. After his study he had written three exams for SIET, School Assistant and KDO. Without seeing the result he said that he will get all those. He got all the three. This hardworking of my father inspired me a lot.

Tell us about your interests and hobbies.

My interest are reading novels and literature, finding new things and facts, playing games, chit-chatting with my friends and I always try to improve my knowledge.
