The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a businessman. My mother is housewife. They love me very much. My younger brother and sisters (elder) are studying.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I should be awarded the Dakshana Scholarship because I have to achieve my goal that is to be an engineer.

What is your ambition in life?

My ambition in life is to become an engineer and serve my country and society.

How would you like to contribute to the society and the world when you become successful?

When I will become successful, I will serve my society and country. I will become an engineer (specially software engineer) and will help in development of my country.

Describe an incident in your life that has motivated/inspired you to do better.

One day, when I was studying in tuition, my tutor told me the story about his life and also motivated me to work hard to achieve success.

Tell us about your interests and hobbies.

I am interested in reading books. Sometimes, I use the spare time in playing games.
