In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

MY FATHER :- His name is MR. MAHESH PASWAN. As he is a labour, he is very laborious. They give me their 100% to me.
my mother :- Her name is Mrs. CHANDADEVI. She is a housewife. She loves me very much and I can share all things with my mom.
my Brother :- His name is PRABHAT KUMAR. He is studying in 10th. He wants to become a software engineer.
my uncle, MR. SUNEEL PASWAN, works in cloth shop and his wife is a housewife and his 3 children are studying.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

As all the students have their dreams, I also have a dream to become a scientist in ISRO and for that I have study hard and I need quality study. There are institutes who takes too much fees & which we can't afford. I want a quality study which, I think Dakshana can give me. If I am not selected for Dakshana then I have to go to institutes which are worst by which I am not able to do good. But my father borrow money from relatives to teach me.

What is your ambition in life?

I want to become scientist in ISRO in Rocket science. Because I want to explore space, I want to know more about space & time. I want to do well in Physics and want to get a big achievement in it.

How would you like to contribute to the society and the world when you become successful?

When I become a successful person, my first aim will be to teach the children of my society. I want to inspire them. I want to explore space & time relation which may help the world to know new things.

Describe an incident in your life that has motivated/inspired you to do better.

When I was in class 9th, then I went Gujarat because of migration system. There I met with physics teacher who's style of teaching physics inspire. Because of them, I started to take interest in physics. And he also appreciate me to do well. Hence my confidence level become high.

Tell us about your interests and hobbies.

In study, I take interest in physics. I do not like playing games but I like running in morning to warmup my body. My hobby is playing music instruments like Dholak, Congo, Harmonium etc.
