The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father, Mr. Omprakash is a farmer. We have 3 acres land. My mother, Mrs. Santosh is a housewife. We are four siblings. My elder sister Preeti reads in B.Sc. final. My two younger sisters, Ankita and Komal read in class 6th and 7th respectively in government school.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I want to get in Dakshana for my bright future. My father has not enough income that helps study. In this way, I cannot get higher education.

If I get selected for Dakshana, I will get better education and leave my country.

What is your ambition in life?

I want to be a scientist. I have a great interest in chemistry and physics.

How would you like to contribute to the society and the world when you become successful?

When I get successful, I will try to give the nation my best. I will start a school that will give the children, who belong to poor families, better education, free. I want to start a NGO for orphans.

Describe an incident in your life that has motivated/inspired you to do better.

When I was in eighth class, I saw life history of Albert Einstein in TV. I got impressed and determined to do better like him. I want to do such inventions that help the people and leads to a healthy life. Autobiography of A.P.J. Abdul Kalam 'Wings of fire' also proves a turning point in my life.

Tell us about your interests and hobbies.

My favourite subjects are chemistry and physics. I like to play badminton. Writing diary and reading motivational books is my hobby.
