The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My name is Sandesh and my father and mother name is Mr. Yashwanta Jogdande and Mrs. Surekha Jogdande respectively. I have two small sisters, they named as Sonali and Monali. My father and mother both are farmers and they do labouring anywhere they want to do. They do pastime as a guidance to society. I have mama and uncles they also doing labouring. They all like to provide me facilities for study.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

It is a golden chance to me to give dakshana exam. If I have done good in exam definitely I will get scholarship but if this not happened then I will be wait for 12th class dakshana scholarship. But it is duty of our government to give facilities to poor children like me and all my Indian brothers and sisters. To knowing their talents they should be awarded the Dakshana scholarship. If I got dakshana scholarship then it is better and it is one stair towards my goal.

What is your ambition in life?

My ambition in my life is to be a valuebale in society. I want to do for my society because they have not even money to purchase meal. To seeing these and by knowing my feeling towards them I want to study in better way for the welfare of my friends.

How would you like to contribute to the society and the world when you become successful?

When I become able to contribute to the society fully then firstly I want to take up a feet towards my poor people. I will make a Institute where I can give them appropriate education in less money. because I know the poor people can understand the feelings of everyone and to educate them is my only ambition in my life. By taking money from my duty ~~an~~ I will spend them in welfare of my friends ~~to~~ by making a Institute.

Describe an incident in your life that has motivated/inspired you to do better.

once, I was in standard 9th when I live my life very casually. but Once I feel the feelings of my family and my society. They all work for only meal. once there was rainy in atmosphere and our whole home was near to buried in that rain.
