The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a labour and my mother was a teacher, My mother past away 13yrs ago and since then our fathers do best us. we are total 6 brother and 3 sister, one my eldest sister is working and she looks after all our family needs, good, bad and she is the head of our family And one of my broter have complete his B.Tech but due to lack of awareness and no support, he is ~~unable~~ to just working parttime

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

It's my dream to be Doctor and I know in order to do that I need to crack NEET and it is quite impossible to do by self study. so dakshana is the part way for me. AND To be Doctor if not only my dream but to be a support / pillar and life changing for all our family.

If I'am not selected then the only thing I can do is to give 300% as much as I can.

What is your ambition in life?

Ambition is like ~~option~~ a second choice for me cuz the only thing that really does matter at present is my family condition and it really needs to be change. But, it is my goal to be an MBBS passed and to be a neuro surgeon
