## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to study in premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father owns a small grocery shop. He is a very hardworking person and supports us through all odds. He never denied us anything that we wanted and tried his best - upto his capability to give us,

My Mother is a housemaker, a very loving and caring person. She cares for us alot and always advises us to do hard work.

My sister reads in a state govt. college in class 11th.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I belong to a lower middle class family. Our average annual income is hardly ₹ 50,000/. So it is not possible in part of me to opt for a private coaching, so I will be very benefited if I will get selected in Dakshana.

If I am not selected, then I will prepare for the medical entrance at home or apply for Basic Science courses.

What is your ambition in life?

From my childhood itself, I was really interested to become a doctor. My family has high hopes upon me. So I am determined that surely I will become a doctor and serve the people.

How would you like to contribute to the society and the world when you become successful?

I would like to provide free health care to the needy people when I will become a doctor.

Describe an incident in your life that has motivated/inspired you to do better.

The day when I got to know that I am selected for Navodaya Vidyalaya. From that day I am determined that I will become successful.

Tell us about your interests and hobbies.

I am interested in reading the Science Journals such as DISCOVERY, SCIENCE REPORTER etc.

I also like to play volleyball and Badminton.
