The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a farmer. Actually, we don't have land for farming. So my father farms on others' land. In my family, we are total 5 members. My mother is not alive. My brother is studying in college.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I should be awarded the dakshana scholarship because my aim is to be an engineer, and I can't afford the coaching fees of the institution.

If I am not selected for Dakshana Scholarship, I will try to crack JEE by self study and will try to give my best by my own side and I will also help my father in farming to run livelihood.

What is your ambition in life?

I want to be an engineer and want to build a company that can compete with google and microsoft etc. I also want to help the my society and country by doing this.

How would you like to contribute to the society and the world when you become successful?

When I will successful in my life. First,
I will try my best to help the
institution who supported me in my
bad times and provided the facility
that I can't afford in that time.

Describe an incident in your life that has motivated/inspired you to do better.
