The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

I have 2 sisters, ~~with~~ all three lives in Chandrapur. My father & mother died in an accident and sister is pursuing BBA & the other BSc Nursing.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

If I would be not selected ~~is~~ as a Dakshana Scholar, then I will try hard 2-year & will try to ~~an~~ score well in JEE (Mains & Advance). I'll repeat at home.

What is your ambition in life?

My ambition in life is to do something for my country that will make progress for our nation.

How would you like to contribute to the society and the world when you become successful?

In our country, there are many students who are brilliant but they lack in poverty or lack of knowledge. If I become successful then I will teach the poor one, so that they can uplift the development of our country.

Describe an incident in your life that has motivated/inspired you to do better.

There is not any proper incident but I remember one, we know the value of something when it is away from us. Life without parents is really difficult. So whenever I remember my parents, a self-motivation comes within me, that's only my motivation.

Tell us about your interests and hobbies.

I have interest in technology.
My hobbies are reading novels & dancing.
