

NOTIFICATION FOR JOINT DAKSHANA SELECTION TEST (JDST) 2022

The JDST 2022 date will be announced by last week of February 2022.

Selection Process for the JDST 2022: For Students studying in Govt./Aided schools (Not for JNV school students)

Step 1: Check the **eligibility*** at apply.scholarship.dakshana.org and fill the application form.

Step 2: After 1st round of shortlisting, Fill the Dakshana Scholar Application (DSA)

Step 3: Shortlisted scholars to appear for Online Pre-Scholarship Test (PST). A mock test will be there to familiarise students to the interface.

Step 4: After 2nd round of shortlisting (based on PST and DSA), Appear for JDST 2022 (online at test centres) with Mobile.

Step 5: After 3rd round of shortlisting (based on JDST 2022), Appear for the Interview & Document Verification.

Step 6: Students selected in the interview will be offered Dakshana One-year Scholarship.

***Eligibility:** Must meet all the 3 criteria to apply for the scholarship.

- i. **School:** Currently studying in Class 12 Science from a Govt/Aided schools (Academic Year 2021-22)
- ii. **Merit:** Aggregate marks of Maths & Science in Class 10 should be above the cut-off: GEN/EWS/OBC: 85%, SC: 70%, ST: 60%, PD: No cut-off
- iii. **Income:** Annual Family Income to be less than 2 lakhs

All online tests will be conducted through the **Dakshana Scholarship Test** Android Mobile App. Details to download the app and login credential will be provided by March 31, 2022.

Mock Test, Pre-Scholarship Test & JDST 2022 Format:

The duration of each of the tests will be 3-hrs. The test will consist of 25 MCQ format questions in each of the following sections:

Section 1: Logical Reasoning | Section 2: Mathematics/Biology | Section 3: Physics | Section 4: Chemistry

Each right answer is awarded 3 marks and 1 mark is deducted for every wrong answer.

Mock Test, Pre-Scholarship Test & JDST 2022 Syllabus:

The syllabus has been reduced. Aspirants can watch video lectures, of the below topics, on the Dakshana YouTube Channel. Click on the name of the topic for each subject given below, to watch the video lectures. Questions will be based on the below lectures.

Note: Though the title of some videos for Physics/Chemistry on Dakshana YouTube Channel may mention that the topic is for NEET, but JEE Aspirants can also watch those lectures.

Physics	Chemistry	Mathematics	Biology
Geometrical Optics & Instrument	Solution & Colligative Properties	Matrices & Determinant	Reproduction in Organisms
Wave Optics	Electrochemistry	Functions	Sexual Reproduction in Flowering Plants
Electrostatics	Chemical Kinetics	Limits, Continuity & Derivability	Human Reproduction
Current Electricity	P- block (15,16,17,18 Group)	Application of Derivative	Reproductive Health
Capacitance	Coordination Compound	Indefinite Integration	Principle of Inheritance
Magnetic Field and Magnetism	Haloalkane & Haloarenes	Definite Integration & Its Application	Molecular Basis of Inheritance
Electromagnetic Induction	Alcohol, ether, & Phenol	Vector & 3-D	Origin and Evolution
Alternating Current	Aldehyde and Ketones	Probability	Biotechnology: Principle and process
	Carboxylic Acid & its derivatives		Biotechnology: Its Application
	Amines		

Logical Reasoning:

Verbal: Number Series, Letter Series, Analogies, Cause & Effect, Verbal Classification, Blood Relations, Logical Sequence of Words, Direction Sense Test, Logical Venn Diagram, Data Sufficiency, Coding Decoding, Assertion and Reason, Analysing Arguments, Logical Problems, Course of Action, Matching Definition, Syllogism, Statement and Assumptions

Non-Verbal: Image Series, Construction of Shapes, Classification, Picture Analogies, Rule Detection

If you have any queries, please read FAQ at: dakshana.org/jdst-faq

If your queries are not mentioned in the FAQ section, please email to scholarship@dakshana.org

All clarifications related to the JDST will be addressed on the above email address ONLY. Kindly do not call or write to any other Dakshana email address.
