Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because

I am willing to go for IIT and my parents are not able to support me for attending coaching classes which are of high fees. This is a good opportunity for me to exhibit my talent and achieve my goal and fulfill my parents dreams.

Dakshana Foundation will be the important bridge in my life through which I can travel the most difficult roads very easily to the pinacle of Success. By attending Dakshana Classes, I would work hard to achieve in IIT Exam and be a proud Son to my parents and a worthy citizen.
