Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because _____

I am from a middle class family. No one is well educated and not one has got the opportunity, get well educated in my family except me. From my childhood it is my great desire to become a doctor. I always used to play with my grandmother as I am as a doctor & she as a patient. I have well always tell to her that I will become a doctor & I will treat her. But that was the time that I even know the spelling of doctor. My grandmother had died when I was in 4th class. I had witnessed the ^{financial} difficulties faced by my parents during grandmother's treatment as she was suffering from cancer. During her last days, the total amount of hospital bill was not affordable to my family. By that issue I take a decision that I will become a doctor in future & try my level best to help those people who are financially backward. Same issue was faced for my mother's elder sister's treatment also. And the final result was her death. At one day my mother hold my hands & said that I have to become a doctor & treat people with less fee. No one has to be face financial problems for medical treatment as faced by my family. That words of my mother sticked in my mind. It make me more stronger to fulfil my desire. Those words inspired me. when I am writing this, now also I can feel the bitterness of my mother's tears that fell in my hand when she telled those words.

Not only my parents & my relatives, but the whole village people in my village has a trust in me. I am their expectation of future. So I think Dakshana will provide me the clear way to reach my goal. I know that it is the nice & most appropriate platform to show one's full effort to fulfill their desire. I am not a brilliant or a bright student. But I have a strong mind to work hard to achieve my goal. I am confidently tells that Dakshana provides a very good opportunity to fulfill their dreams by giving world class coaching.

As I am a product of Navodaya as well as a daughter of Ex-military man its my duty to serve my nation. Through the coaching class given by Dakshana I can make sure that I can make my parents happy, the soul of my grandmother happy, the every people in the country happy by becoming a good & a model doctor.

Due to this, I would like to become a Dakshana Scholar and hopefully attend Medical College. Thankyou.
