Full Name SHARAVANA KUMAR T.

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500). If you are unable to afford the fees for the entrance test or the travel costs etc. for the test, please submit your application if you meet all the other criteria. The Dakshana Foundation will evaluate your application and arrange for testing at its expense if the applicant fits our criteria and looks promising.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
6. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate

Application

I'd like to become a Dakshana Scholar and hopefully attend IIT because I came from a poor family and I wanted to join IIT and study there. For that I need a help from somebody. So when I came across Dakshana foundation, which is helping poor students children to prepare for IIT, I like to join it. I know in India IITs are the one of the prominent institutions, for that entrance examinations were conducted. To attend the examination I need to have some coaching for that I have to attend some coaching classes and I have not money to do all these things. So I like to join this Dakshana foundation. ~~that~~ Dakshana is supporting the students by providing financial support to them. So I will like to dakshana as a scholar and I will be thankful for dakshana. I will be always thankful to dakshana foundation. 9
