Application to Become a Dakshana Scholar

Full Name Bittu Singh

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500). If you are unable to afford the fees for the entrance test or the travel costs etc. for the test, please submit your application if you meet all the other criteria. The Dakshana Foundation will evaluate your application and arrange for testing at its expense if the applicant fits our criteria and looks promising.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
6. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to become an IITian. I want to become a successful man in my life, I want to give my service to my country. After becoming an IITian, I will help my country. I am ~~an~~ interested in ~~study~~ studying about magnet. I want to do more and more experiments on magnet. I want to treat patient with magnet. All these things I can do if I will work hard. Dakshana has given me a very good opportunity. So I will do work hard with determination.

After becoming an Engineer I will give 10% of my salary to Dakshana Institute.

My parents are in such a condition that they can bear my tuition fees.

My elder brother always encourages me.

~~My~~ My parents want that one day I will be an engineer. So I want

to fulfil my parents dream.

I also want to help my country.

Nowadays, more and more people are going abroad. They studied study here and give their services to other countries. I want to take my country forward. I want to take my country at the top most level in the world. I do not want to go abroad. I love my country more than my salary. I will help my country if and only if I will work hard and I will attend IIT classes regularly.

I am very very thankful to Dakshana Foundation that it gives me a great chance of being a IITian from my only village. If I will get this target, then I will be only one of my whole Distt being a high payable bachelor. Along with my parents I swear that I will serve the other Indians, who are very poor and as Dakshana Member.
