The Dakshana Foundation

Application to Become a Dakshana Scholar

Full Name: Ma. Kamlesh Rajguru.

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500). If you are unable to afford the fees for the entrance test or the travel costs etc. for the test, please submit your application if you meet all the other criteria. The Dakshana Foundation will evaluate your application and arrange for testing at its expense if the applicant fits our criteria and looks promising.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
6. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate

Application

10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I'd like to become a Dakshana Scholar and hopefully attend IIT because Today, It is very hard to get admission easily in IIT college. Because of money problem most of students can't go to such colleges. Dakshana foundation is providing a golden chance to such students.

My dreams are not simple one. My dreams are beyond the sky. Which can be fulfilled by "Dakshana". If I would select for Dakshana's coaching classes my dreams can be fulfilled.

Anyone have said "dreaming is not wrong. but if we do not try for making the dreams true it is wrong" so I would not like to miss this opportunity.

I want that my name & fame must be throughout all the world. Education of IIT can change our life. It will shape my life.

For Human Being Nothing is impossible, only a true will must be there. I think that I am able for your opportunity. I do not want to miss this chance. It is needed for overcoming me so I'd like to become a Dakshana Scholar & hopefully attend IIT.
