I'd like to become a Dakshana Scholar and hopefully attend IIT because I aspire to become Mechanical engineer. Many students have dream for attending IIT and excell in their future. But many of such students can't afford to the best IIT coaching due to their poor family status. For those students dakshana foundation is helping all such students to reach their goals.

I have a dream to get into IIT and prosper in my life. Then I wanted to get IIT coaching and struggle hard to get in to IIT. But in the corporate colleges the IIT coaching fee is very high and my parents can't able to afford it. At that moment, I think my life's dream gone into ashes. But one day I came to know that I had selected for Grand Dakshana foundation Test-2013. At that time I got confidence that I can achieve my goal and help to the poor people.

The dakshana foundation is a boon for the students who are talented but can't afford for the best IIT coaching. The dakshana foundation providing the world class best IIT coaching and making the students to reach their goals. By reaching my goal after that I want establish a one foundation for the poor people and help to them who are in need. In my opinion dakshana and IIT's provide best quality of education by which I can reach my target. and serve the nation. I thank dakshana founder and dakshana foundation for providing good coaching.
