## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including JNV records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verification. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because because I want to see the Indians at the topmost level in the world either in culture or technology. In present time, India is the country which is very best in its culture and rest of the world are following the Indian culture. But In the field of Science & technology, Indian students are very good but due to low financial support, they can't make it. Due to very less opportunity in India they go abroad, very far from their family. To overcome such type of problem, only Indian Institute of Technology (IIT) can be give me the best platform for my goal. It is possible only through The Dakshana Foundation, the second best achievement of my life. (first is Navodaya) I am very happy to join the Dakshana and I will try to do my best in the duration of 2-years to crack IIT-JEE 2017. After becoming an IITian I want to open the same type of...
