The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because from my childhood my aim is to become a successful engineer & for that I have to join a good coaching & requires a good guidelines so that I can become an IITian with a good rank. & I have already heard about your reputed institution that your faculty is very-very good there are so many toppers in IITs through your institution. Not only your Institution gives us a proper coaching but also the proper guidance so that distraction from the main pathway didn't occur to the student. You take care the students personally so that they can achieve a good ranks. And also my father has very less service span only of about 8-9 years. And After Achieving the IIT Target I want to serve country. There are so many other coaching centers in

the country but most of the student although they may be a topper but destruct from their right pathway & addict to many other thing like casino etc. but in navodaya in which dakshana provide coaching has so many limitations so that they can achieve a very good ranks. Here you also provide good nutritious food & very good books so that the student has no confusion to choose the books. And after achieving my target of IITs I can able to fulfill my parents expectations & one more thing which I have heard about you that you will sent the students to MIT(S) if we get good rank like "under 50" in IITs

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
