Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because Dakshana Foundation is one of the best foundation which provide IIT-JEE coaching and students are selected for IIT-JEE. It was my desire to become an engineer since childhood. But my father can't have provided me coaching for IIT or JEE due to poor economic condition. Selected for Dakshana coaching is a golden opportunity for me. I like so much Dakshana foundation because it changed direction of my life and I will stay here for 21 months studying ~~to~~. Dakshana foundation is a good foundation which provides so much facilities to students. It is drawing diamonds from garbage. There are so much chances for a student to touch the heights of

dakshana

sky because there are very intelligent teachers and T.I.M.E. institute provides best study materials. I want to help this foundation after becoming an engineer by which many poor intelligent students shall direct their career right with the help of costly coaching. I am proud of me to be a Dakshana scholar. I want to take all benefits of its coaching. Dakshana foundation is a great foundation of India. It shall help me to complete my all dreams in future.
