Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because its my desire to become an IIT engineer. From my childhood I was interested in mechanics. And I wished to be with machines, throughout my life. Everyone has a wish to become an engineer, doctor etc. But for me it is a strong desire to be an IIT Engineer. From class VI to X Nanodnya gives me a lot of oppertunity before me but, it is a great-great oppertehity before me to be an DAKSHANA SCHOLARS. I think it will provide me the bestest coaching. Coach of a football team trains the players to win the mates. For me its a game and I have to win the game. And my parents also not at all provide me the coaching. For me it is a great achive to become an dakshana scholars. In class X - I came to know that there is a examination about Dakshana. And I prepared as far as possible. Now I am a Dakshana scholars. I got the certly happyness in my life.

About Dakshana scholars what I think that it is the best way for the talented students to be an IIT engineer in a short period of life. Many of the children has the wish to be an IIT engineer like me but they are so poor that their parents did not provide them the coaching. Their wish became a wish for them. Now DAKSHANA helps the students for approaching their goal towards the destination. ok. That's a very simple knowledge about DAKSHANA SCHOLARS as I know. At last I would like to share a thought that not for the Naradayan only for common students also Dakshana should be prepared plan. Because there are many students as like me.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
