Full Name ANKIT KUMAR CHOUKSEY

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I'd like to become a Dakshana Scholar and hopefully attend IIT because I am greatly interested in science and especially computers engineering and this dream can be fulfilled perfectly only through IIT. But my parents can't afford such a high fee of coaching institutes and Dakshana foundation helps such children so I am thankful a lot to it. I want to crack IIT with a very good rank or in top 10. This dream will be true, I am sure. As now I am being given the coaching from FIIT-JEE this is a golden opportunity to me and I am fully confident that I will be selected in IIT-JEE with top 10 rank in top 10. IIT is the only institute which provide such a high class education and this will help me to be computer engineer of world-level. I want to do a job for my country's development and I am sure if I am selected I will do a great job for it.
