I'd like to become a Dakshana Scholar and hopefully attend IIT because Success never comes from shortcuts. It needs lot of hard work and well defined plan to achieve him. In India there are many people that want to do better for his Country and I am also one in the crowd of millions peoples. Due to some economic problem lot of them press his wishes and throw his dreams outside. But I donot want to do so that is why I want to become a Dakshana Scholar and crack IIT-JEE.

Dakshana is helping worldwide to the Students that belongs to low income family so I respect Dakshana for his holy work and I want to give my best for Dakshana and all over India after Cracking IIT-JEE.

Dakshana is giving a golden chance to me to Study for 2 years Continuously at JNU Campus.

The environment I find in the JNU and with the Dakshana foundation is best one that can help poor Students to prepare for IIT and developing potential to achieve his goal.

Here Dakshana foundation gives us Coaching for 21 months which is long and enough period to prepare for exam. The Society and teachers from which I am learning is the best one on the Earth.

The teachers are preparing in a well planned manner and the materials provided by them are also well focussed on our all around development. I hope everyone that have spirit to do better can do it from here. Hopefully I have 54 classmates that are all of competitive spirit and helping in my day to day life in solving problems and developing personality.

I have only one aim here that is "To do my best as I can do". and I hope so I can do it.

Best of luck

Yours
Ashish Kulkarni
