The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I have made it my goal. Since childhood, I have seen a lot of hollywood films in which I have seen many machines, and other technical equipments. I am fond of technical things. I would like to become an engineer and then, while doing my job, I would try to make any invention. This is the main aim of my life. Apart from this aim, my another aim is to help orphans. I can fulfill this desire from the money obtained from my job.

Dakshana foundation is also helping poor Navodaya students to achieve their goals. Most of the Navodaya students are not able to study in higher schools. I was much worried about my carrier because I am belongs to a poor family. But ~~write~~ during my examinations of 10th class, I heard that there is a foundation - named Dakshana foundation, who selects students from Navodaya vidyalas and teach them separately from other

Navodaya students. I started my preparation
and now, I am - much - happy to pass
this examination.
