The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because ~~bec~~ I belong to poor family. It is good institution through which one can become IITian. Due to free of cost it helps the students whose parents are not able to expense more money for the preparation coaching of IIT. It gives best result. IIT is the most toughest exam among the engineering exams.

By joining Dakshana foundation I surely crack the IIT. There are most suitable facilities which is required to get IIT. Like all other students I have also interest in mechanics, having aim to become an IIT. So that I can serve our country well. India is a developing country. We have make India from developing country to developed country anyhow. Now. India required many scientist, doctors to take care of poor people. So I like to become a Dakshana Scholar.
