## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I'd like to become a Dakshana Scholar and hopefully attend IIT because when I came to know about the engineering or IIT, attending exam of IIT will be my most special task which I have ever perform. I think becoming an IITian is a matter of proud and dignity. This will also help my country to be a well-defined technology centre. As we all know this world contains a lot of competitions. I want to compete and be a successful man. I also improve by personality which is very important in this modern life. I don't want me to be a failure. I want to make my character well, that education will help me. I want my teachers, parents and friends to be happy by getting selection in IIT. I never want to heard my insult that you are not a successful man. I never want my soul to be sad saying

that you are the looser of this world, instead of being an opportunity. you couldn't do anything with that brightest opportunity. I want to understand the nature as I could, that Physics will help me. I want to go ahead in my life. I also want selection in IIT because I want to educate my sons and daughters as well as other people which have lack of power and capital. I want proper technology. I want a better family in my life. It is often said that "Luxury is the greatest character of God" so I want to achieve that character. I want a well-defined character and life. I want to enjoy solving the daily life problems in physics. so, I want to be an IITian.
