Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to work in the field of technology. I was born in a poor family but fortunately I was selected in JNV ALWAR in 9th class.

which is a cost-free school and now selected by Dakshana coaching. Conditions of my family are not so good that they provide me costly world class coaching for IIT. But from selection in Dakshana test I got a golden chance to go in IIT by coaching.

I do not say that coaching is necessary for selection in IIT. But it will give me confidence. I am Indian and unfortunately many people of India are homeless. I want to make houses for these homeless people by becoming a civil engineer. I also want to make this world poverty-free.

Dakshana give me a good opportunity to make these dreams real and I do not want to lose this opportunity.

To be live and die is a universal truth but in the middle I want to work such that the people remember my name for a long time.

As I saw Dakshana has a good and well talented team of teachers. So I am fully convinced that I can select in IIT by coached in Dakshana foundation. That's why I want to become a Dakshana scholar.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
