The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because From my childhood I had a wish. It is to help our country to become developed. To do so, IIT is a best field. From this job we can directly help our country. To become IITian, Dakshana is a best mean. If we wish to take IIT coaching from other foundations, it costs a lot. But Dakshana provides this coaching without any cost. Means it is financially very helpful especially to the poor talented but poor students. #

After taking coaching from Dakshana, I will hopefully attend IIT. In next two years I will prepare & will try my level best to become IITian. After becoming IITian I will derive all my energy to invent such things that will develop our country.

The ex-President of India Dr. A.P.J. Abdul Kalam's words 'India will become super power in 2020; I want to make it true. By observing today's economical situation of India, the goal set by Dr. Kalam seems quite difficult to achieve. So I will help the country

to become developed.

I will serve the nation with high level technology & will utilise my knowledge to develop our nation!
