The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Abhijeet R. Ghodaki

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because since childhood I was interested in mathematics. As I grow up my interest in math's also grew. I was a bright student. My father wants to make me an engineer. When I was in 5th standard, my teacher tell me about Navodaya Vidyalaya & I tell about it to my father, - Free education for 7 years I decided that anyhow I should be selected for Navodaya Vidyalaya. I work hard, it was difficult to get selected in 80 out of ten thousand student. I worked hard & I selected. On coming in Navodaya I came to know about the ~~an~~ IIT. It is an engineering collage of very high level. When I was in Junior I didn't know anything about dakshana. When I was in 9th class I heard about dakshana & decided that I should selected for dakshana. Then in 10th I studied hard & today I am a dakshana scholar. Now my aim is to crack IIT-JEE & make my parents proud on me.
