The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because of my peculiar thinking. I want to become an IITian & become a good citizen of India. I want to serve my country & I will be able to serve the people only when I will be a good, well-minded & rich person. The way of preparation of IIT is very nice way to enrich the attitude, hard labour capacity, will power, self-respect & others things. To become a good person I was very excited to take admission in Dakshana coaching because I am a very poor student. I had heard about a lot of poor persons in India who has become a very great person of India. So, I am also interested with them because from beginning I am getting a good facility of Navodaya to fulfil my demand of future.

I want to become as such type of engineer who is playing a very good role in developing the society & the country.

And that good engineer is nothing
only IIT engineers. So I want to
become an IITian. I was hearing
about IIT from my childhood that
it is the most precious exam of India.
The persons are very lucky who are
becoming IITian.

Thus I got a will
from my childhood to become an IITian &
Now I am on right track.

I ~~am~~ want
to chase the Dakshana because it is
a very good facility for students to
crack their goals.
