The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because According to my opinion, Dakshana is very-very good for those student- who is poor or economically weak. It is very best way or we can say a life ladder by which a talented or potential having student- who is poor or economically can get- IIT JEE with joining this Dakshana programme.

According to me it is very-very beneficial for me as a economic not good or my father income is not- enough to carry my higher education fee or coaching.

Since I am joined with Dakshana Programme, here I saw that all faculty member is very good. They taught- very satisfy.

I saw this year that- 31 student- selected in IIT JEE out- 50 in this year (2012). I think in

Q10 2014 IIT EXAM I will be selected with very good rank I can say with confidence under 100 rank AIR.

If I selected or cracked IIT JEE in 2014 and joined any college then after 4 years I would be very helpful for rural poor student - because as a rural poor student I feel many difficulty in reading. The education system in our rural area is not good still student have potential we should to give them chance they must get success or helps to poor because a poor know very good to other poor student.

To because an IIT ~~engineer~~ -an I want to help poor and helpless man who needs help. I would be very happy when I will be success and very-very thankful to Dakshana foundation.
