Everything about
Me

Hat ching hoi Haokip
Daksana Roll. SUCUOI

Nobody would understand my words of feeling if I directly plunged in to write. So, let me introduce myself. I'm Hat ching hoi Haokip, a Navodayan, daksana scholar. I'm citizen of India but brought in a by my loving parent, Jamkhomang Hat ching and Nemjathing Hat ching. I come from a big family of 6 children, mom, dad and one grand-mother. According to today's world, "A small family is a happy family" but for me and my family members, "A big family is a happy family". Actually, the reason behind this is that my parents are uneducated so, but now with God's love, we educated generation is to start on. Everybody has their own parents but one thing I can say proudly is that My Parent is the best of all and they are my seen God. Regarding my family background, we haven't enough to meet our daily needs as compare to those homeless and beggar around the world. But, in today's world, we are under the deprived group. My parents work hard like an ox to brought up us well so as we can compete with the outside world. I love my parents. They lived a life of slave for our better tomorrow.

We, the six children's work whole heartily and try to pursue our best in our study as it is the only way to thank our parents and make them happy. I, one among them whose aim from childhood days is to become an IITian, in spite of all the poor economic background. As the saying goes, 'In the middle of difficulties lies an opportunity'. I am selected here as Dakshana scholar to do my full preparation for IIT-JEE 2011, thanks to the founder of Dakshana Foundation.

People might have different view regarding this ~~is~~ Dakshana Foundation, but what I can said from my true heart is, it is treasure of love, kind & self sacrifice. It give me an immense pleasure and I am really thrilled to write about Dakshana. Dakshana is now not a different thing from me. It has become a part of my life.

The test which I give for Dakshana Scholarship is not without preparation as I am inform late regarding the exam schedule due to the inproper means of communication in our area. The news of being selected is also unknown to me lately. That's the reason why I like to continue my higher study in a better place but my economic condition become a hindrance. But now, my wish is granted

→ Holidays is not important during my preparation.

I am completely changed after becoming a dakshana scholar. Change means my way of thinking. I realize my duty as a daughter, as a student and as a citizen of India. The first day itself i.e. the inauguration of IIT-JEE coaching for our batch is also a motivator and encouraging. Every day is filled with new hope and every class is filled with new challenging. Now, I am really absorb to study and crack the IIT-JEE 2011. And I know it is possible as the world impossible itself is also I m possible. And I believe that "Hardwork is never unreward".

Dakshana has given me a candle and a matchstick in the darkness. My only duty is to make use of it and lit the candle for bring and shine the whole mankind. Thank you DAKSHANA and its family members. And long live dakshana.
