## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NIS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verification. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because from my childhood onwards I have Interest on maths. I have hope to join in IIT. my life's aim is to become an IIT student. I belongs to middle class family. In our village the schooling (for Intermediate) facilities are not good. In our family no one studied or studying in IIT, so I want to become IIT student and bring good name to my parents and my family. From my class 6<sup>th</sup> onwards I have hope to join in Dakshana by which I can full fill my dream. Even though there are colleges in our near by cities the fee is so more which we can not effort. My brother is studying in cooperate (private) engineering college so it will very difficult to pay fee for my education if I join outside in private colleges. Even though I have Interest in taking MPC in my Intermediate I think that getting into IIT is very very valuable as only few can get into IIT with huge competition. So I planned to get into Dakshana foundation and later to IIT.
