The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I am from a poor family and IIT is only the way to overcome all these problems. But for IIT need a good coaching which is expensive and unbearable for my family. First time in 2008 when I have got chance in JNV, a new hope began to generate in my mind. And of course, when I have heard about 'Dakshana' the new hope get a light and right path to follow. I know "In the middle of a difficulty lies an opportunity". Dakshana gives a free coaching of two years for IIT-JEE, and to join dakshana is the simplest way to get into IIT. The belief that becomes truth for me, is that which allows me the best use of my strength, the means of putting my virtues into action. I know EVERYTHING IS POSSIBLE and I will surely get into Dakshana. To become an IITian, was a dream for me but now it is my aim because

I have got a key to open the door of beautiful right path. Success is good reflection of hard work and planning. Joining Dakshana, I can improve my innate power. As Swami Vivekananda says, "Education is the manifestation of perfection already in men." At last thanks to Dakshana to start this brilliant job to giving free coaching for impoverished students. Education fees is only reason that many poor children cannot show their talent in front of the world. God have given me this opportunity I will surely use it. Thanks to Navodaya for big cooperation. Lastly, I thanks to my family members. I would like to join Dakshana because I want to be IITian. Life is a race I have to complete and win the race.

Thankyou;

Kashan Saha.
