Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it's my dream now. I don't know anything about IIT-JEE or Dakshana coaching before and I never take interest in it. I want to attend AFMC and to be a doctor. But here that a lot of money is required and my mother is not capable of fulfilling those things. Because my father didn't leave with us and he is a labour. My mother is a handicapped. She can't speak, listen and also unable to see. She is suffering from blood sugar also. I took my aunts who are helping me in my study, from my childhood to till now.

I just appear the Dakshana Exam. not here quite by it but just to have an experience. But I don't know luckily or by God's blessing I have selected in it although I am not a good student.

My mother whom I like the most in the world. She never dreams because any of her dream never comes to true. Because she unable to see. But she dreams through my eyes and her 1st dream is that "I will be a good human first then an **INDIAN** then an IITIAN."

I promise my mother that ~~anyhow~~ I will try my level best to fulfill her dream.

At last I thank God and to The Dakshana Foundation for giving me an opportunity of being its part and helping me to achieve my goal.

And at last but not the least I want to write one of my mother's line that the blessing from elders help a lot to fight with the difficult situation. So I request all the Dakshana team members who have many experience in every field of ^{their} life, ~~please bless me soon~~

Thank you very much

Dakshana,

Parbati Gurur
