## The Dakshana Foundation Application to Become a Dakshana Scholar

The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to become a good engineer through IIT-JEE examination and I think that I can achieve good rank in IIT-JEE 2014. I belong to a poor family and for this my parents do not allow me to go to any other private institute. In 2008, I heard about Dakshana Foundation from my teacher. Dakshana Foundation provides comprehensive scholarships. These scholarships include 100% of coaching fee and books. So I decided to become an engineer through Dakshana Foundation by core of my heart. I have heard that the faculty provided by Dakshana is nice. From my childhood my aim <sup>is</sup> became an IITian. Like other people I also want to earn money from my profession. In the modern era of ~~the~~ technology life without aim is no valuable. I want to serve the country and after that I can help the country to develop. There is lot of name and fame of Dakshana.

I am crazy about to become an engineer. I will try to labour hard as much as possible. I heard about the teacher provided by Dakshana belongs to good institute and having experience.

I am thankful to Dakshana for giving me a chance to appear in the Dakshana selection test.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
