Application for Dakshana Scholar

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500).
2. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
3. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
4. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the above mentioned criteria to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I wanted to build up my career in engineering. But it seems difficult to me to get coachings for IIT because my background conditions are very bad. We are too poor to get coaching for IIT but when I came to know that I can also get coachings for IIT. Then I was really very happy and it all is due to Dakshana Foundation. Dakshana Foundation organized an exam for the poor students to give them coaching for IIT. In that exam I perform hopefully. When the result of that test out, I feel happy to see that I have become a Dakshana scholar. To be a Dakshana scholar I tried my level best. My family is poor so it is a great need to me to get Dakshana scholarship. I could not afford the coach for IIT test but thanks to Dakshana foundation to give me chance to get coaching for IIT exam.

Dakshana Foundation is helping those students who are talented but can not afford the coaching for IIT or engineering because their background condition is very bad. The poor students who want to get coaching for IIT, They should not be hopeless now. Because there is Dakshana Foundation to help them to fulfill their dreams. My parents had dreamt about me that I will be an engineer. But this dream seems difficult to fulfill. Dakshana Foundation can fulfill my parents dreams. My parents & other family members feel very happy that I have become a Dakshana Foundation's scholar. I would like to convey my thanks & my parents thanks to Dakshana Foundation. It is giving us free coaching for IIT. I want to make my parents happy at any condition. I will work hard to make my parents happy & fulfill their dreams. I will work hard for IIT exams and hopefully attend it. I hope I will be an engineer in future. It's all credit goes to Dakshana Foundation. Thanks to Dakshana Foundation.
