The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because Dakshana is
an institute which helps poor students to
make their dream come true, i.e. to attend IIT. I
feel very proud to be a Dakshana scholar.

Dakshana is a platform through which the
scholars make their career. I would like to
attend IIT to fulfill my dream come true
to become a successful engineer, and also
fulfill my parents' dream. As I was selected
in Dakshana, my parents were very happy,
They ~~hope~~ ^{expect} that I would attend IIT after
two years. In the duration of two years
coaching, I would work hard by hard
from core of my heart to make my
dream come true and serve my society.

Dakshana provides us a lot of good
material for our preparation. Resonance
material are also given so that the
students can make their base strong and
the teachers are also doing their best
for us. I would also do my best to
clear IIT 2017.
