The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. RAGHUNATH GARAI

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because the word IIT which means Indian Institute of India has blown away in my mind many times. When I was 6 yrs old, one of our neighbours got chance in IIT. Then I familiarized with IIT. I can remember that he became very famous in our village as well as the neighbouring village. Then when I read in class VI, one of my neighbours as well as one relevant secured a good rank in IIT JEE entrance examination. My parents went to him and I also went with them. Then onwards, I thought that I also should get a good rank in IIT JEE entrance examination. But it was quite impossible for my family to send me for IIT JEE coaching. Because it is very costly. But when I admitted in JNV in class IX, I came to know that Dakshana foundation give scholarships which include 100% of IIT JEE coaching fees and books. When I read in class IX, one student from our school went to Bangalore under Dakshana foundation for IIT JEE coaching. Before one year, one student from our school, got chance in IIT after completing the coaching under Dakshana foundation. Then I thought that my previous dream is going to be true. Now I am going to tell a previous event. Before admitting in Navodaya, Once I told my parents about my aim for IIT,

They told me that if you want to secure a good rank in IIT JEE entrance examination, you should or have to take a standard coaching. But unfortunately, it is very costly. They also told me that it is not possible for them to send me in a costly coaching. But after when I told them about Dakshana Foundation. They became glad. Then onwards, I prepared for the GDST. And now I am in Kottayam, Kerala, under Dakshana Foundation to fulfill my aim. Now my parents and relevant are very happy. Because they have belief on me that I am getting such a standard coaching to, I will obviously get chance in IIT. I am also trying my level best to keep their believe on me.
