Application for Dakshana Scholar

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500).
2. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
3. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
4. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the above mentioned criteria to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I have extreme interest in engineering. When I came to know about the Dakshana foundation. I am noticed about unique features. It sponsors programs which are very profitable for those students who belong to poor family. I also belong to poor family. Hence it is the golden chance for me to join the Dakshana foundation. With the help or by virtue of this foundation I can achieve my goal to clear IIT exam, which needs too much hardworking, coaching, & too much money for the coaching. But now we are getting coaching without any payment (fee). Hence Dakshana foundation is an ideal foundation. I'd like to become Dakshana Scholar, where I'll be able to have more time for study, noble teachers of Physics, Chemistry & Maths. Moreover I'll have suitable environment

for study. Thus Dakshana foundation is a charming institution. By making the best use of time I'll try my level the best to achieve my goal. For all these I'll be grateful to this institution.

In this way Dakshana organisation is a unique which is promoting the students who are not able to have special coaching for their aim. Thus of course it is a great thing, that it is giving talents to our country on behalf itself. Hencefor I am much satisfied with the features of Dakshana Institution. It was nearly impossible for me to have special coaching for my aim on behalf of my family.

Hence due to the above circumstances & other features, I'd like to become a Dakshana scholar & will try my level the best to bring credit to this Institution & Navodaya Samiti.
