I'd like to become a Dakshana Scholar and hopefully attend IIT because I have been willing to be an engineer since my childhood. For it, cracking IIT-JEE is best way. But, this exam is not so easy to crack. That is why I was looking for a perfect coaching with help of which I can fulfil my dreams. But, I belong to a lower middle class family. So, my father cannot afford the expense and cost of any of the prestigious coaching. Then, one day I heard about Dakshana from my teachers. It dawned on me that it has a perfect environment to study and moreover it is free of cost. Along with the studies of 11th and 12th class, students get coaching under the focussed guidance of Dakshana. One can get excellent atmosphere, best teaching staff, keen guidance and better way to achieve own goal. There is no short cut for success but Dakshana lightens the path to success. On that day, I came to know about Dakshana's best performance

and best academic result. I was impressed by the records of last a few years.

I determined in myself that I would go through Grand Dakshana Selection Test and crack IIT-JEE to fulfil the dreams of mine and my family to me. I started collecting information about this organisation and am happy in becoming the Dakshana scholar. It is very helpful to poor talented students who cannot afford the cost of different foundation courses.

I am thinking if Newton can be inspired by an apple only, then what may be of us under your keen guidance. So, at last I state again that I feel happy to be an Dakshana scholar.

Through it I long to fulfil my dreams, my family's expectations to me and want to do something for my country.
