### The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because

As I am from a poor family can't attend any IIT JEE Coaching. As I know my credits of learning and passionate about becoming dakshana scholar to become IITian and make my family and dakshana team satisfactory.

As I owe a great privilege of getting selected to dakshana although I will surely attend to IIT to make feel that even the poor can also make efforts for

making an IITian. Even my neighbourhood is all of discrimination of the scheduled castes, I would try to bring a thought that even scheduled castes have same brain which functions with others.

Apart from that I have a brother who is my role model who made efforts to get into great college even though he had succeeded in getting through the competitive examination.

But, because of my family financial status he left his studies and worked out in others for one year so that he can appear for the competitive examination again, he succeeded.

As I am inspired of his great dedication towards education even though he left one year for college

He again came fond of studying. For an Excellence he had scored before these things happened in the Intermediate first Year he got 463 out of 470 in the Public Examination. But Unfortunately due to financial status of my family he has got admission in an ordinary college. Keeping these things aside I will hopefully attend IIT because I had a keen progressive towards my favourite subjects physics and Mathematics which helps in learning chemistry then I am practical and logical learning then I know how to deal with these competitive exams and get the great Indian privilege colleges; 'Indian Institute of Technology'.

I will surely be an IITian to and take duties of being a dakshana scholar. I am proud to say I will be the greatest amongst the world who is rightly on the track of running for his desired IIT. I will be so much proud to be a dakshana scholar and after getting to IIT, I will sure help my juniors in getting this IIT.

"Proud dakshana, Proud India" "Mera Bharat Mahan"  
"IITians, winners! don't do different things, they do things differently"
