The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and school staff interviews, peer, neighbours, school alumni and direct verifications. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana scholar and /or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because Dakshana will prepare me to do best in the competitive exams like NEET and others. I would provide me the information which I need to become a good doctor. As I am from a poor family I cannot spend much money on my tuition for my preparation. Dakshana is giving me the opportunity to fulfill my dreams. If I get the chance to become a Dakshana scholar then I will be very hopeful for my aim. With the help of Dakshana foundation I will remove the sin poverty from my life and will offer a very comfortable life to my parents. I want to become a doctor because I want to serve the people of my own country and want to help them to overcome their diseases. Dakshana will definitely give me the opportunities to do the same.
