Sheetal Shraishth

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because as far i
know, IITJEE is a very vast
exam holding in our country in
the present era. It's the best
opportunity for the student, who
wants to become an engineer. So,
i'm also very much interested
in it. There's is one another
reason also for me to attend
IIT. because that is, I have
a great interest in Mathematics
and in Physics (but to some extent).

After all, my parents
have a lots of hope with me,
because i'm the eldest one in
my home. So, study is not only
a primary work for me. Besides this,
it's my responsibility to can
crack IITJEE 2014, to fulfil
my parents desire as well as to
be an self-dependent girl. Because
any other jobs can gives me some

money, but not such a privilege that a good rankers of IIT got. IITians have their own different identity. Everyone knows him. That's why, I want to crack IITJEE in 2014 with a single-digit rank (You may say A.T.R. 1 in open category) so that my parents also feel proud on her daughter. That's all.

Thanking You!

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
